## MONTHLY CHARGE STATEMENT

Please return the top portion of this statement and the last amount shown under "unpaid balance" to ensure proper credit. Bills not paid within 30 days automatically ground you until the past due amount is paid.

AN "X" IN THIS BOX INDICATES YOU ARE GROUNDED

In addition, bills not paid within 30 days incur a one-time **\$10.00 late charge** and a monthly **finance charge of 1.5%** of the past due amount. Systemic problems in paying flight charges are grounds for termination from Civil Air Patrol.
